Moving Families Forward

Hello,

I hope you are well. I'm writing to request your assistance in spreading the word about an exciting opportunity for local youth. The YouthBuild Program is holding open enrollment for the remainder of this month, and we have the capacity to enroll 30 students.

This program is designed for young people between the ages of 16-24 who are looking to:

- Earn their GED if they did not complete high school
- Learn construction skills and earn certifications
- Receive support with career readiness, job placement, and removing barriers to success
- Access hands-on training, financial literacy, college readiness, and more

Program Activities includes engaging activities such as job shadowing, mentorship, and supportive services, all of which aim to build a positive impact on the community. Orientation sessions are held every Tuesday at 9:00 AM at the Frank Campbell Community Center, located at 312 S. Merriman St., Peoria, IL.

I have attached the flyer for your review, which provides additional details. Please help us share this information within your networks to reach as many eligible youth as possible.

Thank you for your time and support. If you have any questions or require further information, feel free to contact Mr. Jerry (Case Manager) (309) 208-0369 or (Mr. Wright) (309) 222-4947
