The Summit of Hope is a community expo, bringing together local service providers to create a "one-stop" environment for invited parolees and probationers to obtain necessary assistance to move past barriers, which may prevent an individual from leading a successful life.

The Summit of Hope is a proven Illinois Department of Corrections and Illinois Department of Public Health sanctioned program, independently organized in individual communities throughout the state. **A crime-free, productive life for the recently released translates into a better community for everyone!**
